

Electrikgrid in partnership with 360 Training, L&K International Training Division, is offering your company a Private Branded Virtual University Training Portal

Features of the Virtual University are listed below:

- Your company private labeled Virtual University Training Portal can be linked to your company website.
- One time charge of \$2,500 to build your Virtual University
- Option to renew content each year
- Flexibility in content selection each year
- Your Virtual University and courses will be hosted by us.
- 24x7 Technical Support
- Students will be pre-enrolled in the courses the company training administrator assigns per Virtual University Online Training Contract.
- Students will receive instructions along with a Username and Password to access assigned training modules via email notification. The company administrator can also be copied on this email for tracking purposes.
- Through the administrative portal, your company training administrator will have access to run reports on student enrollment and course completion.
- Student course completion (pass test scores of 70% or higher) will be reported to NERC monthly.
- Students with a passing score will receive a certificate of completion.
